EXPLANATORY STATEMENT AS PER THE PROVISIONS OF SECTION 102 OF THE COMPANIES ACT 2013

Item Number 4 & 5:

Since the Company's net worth is negative for the FY 2013-2014, the Company may be required to borrow over and above its paid up capital and free reserves.

In accordance with the provisions of Section on 180 of the Companies Act, 2013 the shareholders approval is sought, in the ensuing Annual General Meeting to borrow sums in excess of paid up capital and free reserves of the Company subject to a ceiling of Rs. 100 Crores (other than temporary borrowings) and mortgage and/or hypothecate company's properties therefor.

Section 180 of the Companies Act, 2013 (notified on September 12, 2013) mandates that the aforementioned powers of the Board shall be exercised only through Special Resolution passed in the meeting of shareholders. Consequently, the Board recommends to the shareholders to pass special resolution under Section 180(1)(c) and Section 180(1)(a) of the Companies Act, 2013. Accordingly, the proposed resolution is placed before the shareholders for their approval.

None of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise, in this resolution.

- b) Statement of Profit and Loss for the year ended on that date
- c) Cash flow statement for the year ended on that date

Management Responsibility for the financial statements

The Management of the Company is responsible for -

- a) the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flow of the company in accordance with the accounting principles generally accepted in India, including accounting standards referred to in Section 211(3C) of the Companies Act, 1956. (the
- b) the design and maintenance of the internal control relevant to the preparation and presentation of these financial statements.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Auditing & Assurance Standards issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit includes

- a) performing procedures and examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. The procedures selected depend on auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances.
- b) evaluating the appropriateness of accounting policies used and reasonableness of the accounting estimates made by the management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the financial statements, read with the notes thereon, give the information required by the Act, in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- a) In the case of the Balance Sheet, of the state of affairs of the Company as at the **31st March 2014** and
- b) In the case of the Statement of Profit and Loss, of the **loss** of the Company for the year ended on that date.
- c) In the case of the Cash Flow Statement, of the cash flows of the Company for the year ended on that date.

Report on other legal and regulatory requirements

- a) As required by the Companies (Auditor's Report) Order, 2003 and the Companies (Auditor's Report) (Amendment) Order, 2004, issued by the Central Government of India in terms of Section 227(4A) of the Act, we enclose, on the basis of our opinion, our examination of the relevant records and according to the information and explanation given to us, in the Annexure a statement on the matters specified in Paragraphs 4 and 5 of the said Order.
- b) As required by Section 227(3) of the Act, we report that
- i We have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit;
 - ii In our opinion, proper books of account as required by law have been kept by the Company, so far as appears from our examination of those books;
 - iii The Balance Sheet, the Statement of Profit and Loss and also the Cash Flow Statement of the Company dealt with by this report are in agreement with the books of account;
 - iv In our opinion, the Balance Sheet, the Statement of Profit and Loss and also the Cash Flow Statement of the Company dealt with by this report comply with the accounting standards referred to in Section 211(3C) of the Act;
 - v On the basis of the written representation received from the directors as at **31st March, 2014**, and taken on record by the Board of Directors, we do hereby certify that none of the directors of the Company i.e. DSK Southern Projects Private Ltd. as on **31st March 2014** is disqualified u/s 274(1)(g) of the Act on the said date for being appointed as a director in the aforesaid company;
 - vi We cannot, as required by S.227(3)(g) of the Act, state whether the cess payable u/s 441A of the Act, has been paid and, if not, the details of the amount of cess not so paid because the Central Government has not, till the date of this report, notified u/s 441A(1) of the Act the amount of cess payable u/s 441A(2) and has not specified u/s 441A(4) of the Act the manner in which the said cess is to be paid.

DSK Southern Projects Private Ltd. is a private limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956 ("the Act"). The Company is engaged in the business of real estate development. The Company is **not** a Small and Medium Sized Company (SMC) as defined in the General Instructions in respect of Accounting Standards notified under the Companies Act, 1956, inasmuch as

- a) it is a subsidiary company of **D. S. Kulkarni Developers Ltd.** which is a listed company, and
- b) it does not have borrowings in excess of ₹ 10 crores at any time during the immediately preceding accounting year and in the year under review although
 - i) its equity or debt securities are not listed or are not in the process of being listed on any stock exchange.
 - ii) it is not a bank, financial institution or an insurance company
 - iii) its turnover (excluding other income) does not exceed ₹ 50 crores in the immediately preceding accounting year

2 Basis of Preparation of Financial Statements

These financial statements comply in all material respects with the relevant provisions of the Act, the Generally Accepted Accounting Principles in India, and the Accounting Standards issued by the Institute of Chartered Accountants of India which are prescribed in the Companies (Accounting Standards) Rules 2006 notified by the Central Government u/s 211(3C) read with Sections 210A(1) and 642(1)(a) of the said Act. As required by AS 1 issued by the Institute of Chartered Accountants of India, the accounting policies followed in the preparation of these financial statements are disclosed below.

2.1 Summary of significant accounting policies

2.1.1 Presentation and disclosure of financial statements

These financial statements are presented in accordance with the revised Schedule VI notified under the Companies Act 1956.

2.1.2 Accounting Convention:

These financial statements are prepared under the historical cost convention.

2.1.3 Method of Accounting:

As required by Section 209(3)(b) of the Act, these financial statements are prepared in accordance with the accrual method of accounting with revenues recognized and expenses accounted on their accrual including provisions / adjustments for committed obligations and amounts determined as payable or receivable during the period.

2.1.4 Use of Estimates:

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgements, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets and liabilities and disclosures of contingent liabilities at the date of the end of the reporting periods and the reported amounts of revenues and expenses for the reporting periods. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the year in which the estimate is revised and future years affected.

2.1.5 Consistency:

These financial statements have been prepared on a basis consistent with previous years and accounting policies not specifically referred hereto are consistent with generally accepted accounting principles.

2.1.6 Contingencies and Events occurring after the Balance Sheet Date:

AS 4 issued by the Institute of Chartered Accountants of India is not applicable since there are no such contingencies nor events.

2.1.7 Net Profit or Loss for the Period, Prior Period Items and Changes in Accounting Policies:

The Company's Profit & Loss Account presents profit / loss from ordinary activities. There are no extraordinary items or changes in accounting estimates and policies during the year under review which need to be disclosed as per AS 5 issued by the Institute of Chartered Accountants of India.

2.1.8 Cash Flow Statements:

Cash Flows are reported as per the Indirect Method as specified in AS 3 issued by the Institute of Chartered Accountants of India.

2.1.9 Previous Year Figures:

The figures for the previous year have been rearranged to facilitate comparison.

2.2 Inventories: In accordance with Accounting Standard 2 issued by the Institute of Chartered Accountants of India,

- i) Inventories of construction materials, components and stores and spares are valued at lower of cost and net realizable value (as certified by the management) after providing for the cost of obsolescence. However, materials and other items held for use are not written down below cost if the finished tenements in which they will be incorporated are expected to be sold at or above cost. Cost of materials, components and stores and spares is determined on **FIFO** basis.
- ii) Inventories of work in progress are valued, in accordance with the Percentage of Completion Method. Profit on incomplete projects is not recognized unless 20% expenditure has been incurred in respect of the project. Based on projections and estimates by the Company of the expected revenues and costs to completion, provision for losses to completion and / or write off of costs carried to inventories has been made on projects where the expected revenues are lower than the estimated costs to completion. In the opinion of the management, the net realisable value of the work in progress will not be lower than the costs so included therein.
- iii) Inventories of finished tenements are valued at the carrying value or estimated net realizable value, (as certified by the management) whichever is the less.
- iv) Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

2.3

Revenue Recognition: In accordance with AS 9 issued by the Institute of Chartered Accountants of India

- i) Income from real estate sales is recognized on the transfer of all significant risks and rewards of ownership to the buyer and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of consideration. The following specific recognition criteria must also be met before revenue is recognized.
However, if, at the time of transfer, substantial acts are yet to be performed, revenue is recognized on proportionate basis as the acts are performed, that is, on the percentage of completion basis. Determination of revenues under the percentage of completion method necessarily involves making estimates by the Company, some of which are of technical nature, concerning, where relevant, the percentages of completion, costs to completion, the expected revenues from the project and the foreseeable losses to completion. As the construction projects necessarily extend beyond one year, revision in estimates of costs and revenues during the year under review are reflected in the accounts of the year.
- ii) Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects value added taxes (VAT) and service tax on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.
- iii) Revenues from maintenance contracts are recognized pro-rata over the period of the contract as and when services are rendered. The company collects service tax on behalf of the government and, therefore, it is not an economic benefit flowing to the company. Hence, it is excluded from revenue.
- iv) Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss.
- v) Dividend income is recognized when the company's right to receive dividend is established by the reporting date.

2.4 Tax Expense: In accordance with Accounting Standard 22 issued by the Institute of Chartered Accountants

- i) Tax expense comprises current and deferred tax.

- ii) Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.
- iii) Deferred tax assets and liabilities are recognized for future tax consequences attributable to the timing differences between taxable income and accounting income that are capable of reversal in one or more subsequent periods and are measured using tax rates enacted or substantively enacted as at the balance sheet date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss.
- iv) Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.
- v) In the situations where the company is entitled to a tax holiday under the Income-tax Act, 1961 enacted in India or tax laws prevailing in the respective tax jurisdictions where it operates, no deferred tax (asset or liability) is recognized in respect of timing differences which reverse during the tax holiday period, to the extent the company's gross total income is subject to the deduction during the tax holiday period.
- vi) Deferred tax in respect of timing differences which reverse after the tax holiday period is recognized in the year in which the timing differences originate. However, the company restricts recognition of deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. For recognition of deferred taxes, the timing differences which originate first are considered to reverse first.
- vii) At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.
- viii) The carrying amount of deferred tax assets are reviewed at each reporting date. The company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available
- ix) Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.
- x) Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. The company recognizes MAT credit available for a particular assessment year as an asset only after the assessment for that year is complete and such credit is finally quantified and only to the extent that there is convincing evidence that the company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement" under the head "Current Assets". The company reviews the "MAT credit entitlement" asset at each reporting date and writes down its carrying amount to the extent such credit is set-off u/s 115JAA or to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

2.5 **Earnings Per Share:** In accordance with Accounting Standard 20, issued by the Institute of Chartered Accountants of India.

- i) Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events such as bonus issue, bonus element in a rights issue, share split, and reverse share split (consolidation of shares) that have changed the number of equity shares outstanding, without a corresponding change in resources.
 - ii) For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares, except where the results are anti-dilutive.
- 2.6 Provisions:** In accordance with Accounting Standard 29 issued by the Institute of Chartered Accountants of India,
- i) A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Where the company expects some or all of a provision to be reimbursed, for example under an insurance contract, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain. The expense relating to any provision is presented in the statement of profit and loss net of any reimbursement.
 - ii) **Warranty provisions:** Provisions for warranty-related costs are recognized when the product is sold or service provided. Provision is based on historical experience. The estimate of such warranty-related costs is revised annually.
- 2.7 Contingent Liabilities and Contingent Assets:** In accordance with Accounting Standard 29 issued by the Institute of Chartered Accountants of India,
- i) A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation.
A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. In such situations, the company does not
 - ii) recognize a contingent liability but discloses its existence in the financial statements.
 - iii) Contingent assets are not recognized.
- 2.8 Measurement of EBITDA**
- i) As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. The company measures EBITDA on the basis of profit/ (loss) from continuing operations. In its measurement, the company does not include depreciation and amortization expense, finance costs and tax expense.
- 2.9 Accounting Standards not applicable to the Company during the year under review:**
- i) **Depreciation Accounting:** AS 6 is not applicable since the Company has no fixed assets as at the balance sheet date.
 - ii) **Construction Contracts:** AS 7 is not applicable since the Company is not engaged in execution of construction contracts
 - iii) **Accounting for Fixed Assets:** AS 10 is not applicable since the Company has no fixed assets as at the balance sheet date.
 - iv) **The Effects of Changes in Foreign Exchange Rates:** AS 11 is not applicable since the Company has not entered into transactions in foreign currencies.
 - v) **Accounting for Government Grants:** AS 12 is not applicable since the Company has not received any Government Grants
 - vi) **Accounting for Investments:** AS 13 is not applicable since the Company has no investments as at the balance sheet date
 - vii) **Accounting for Amalgamations:** AS 14 is not applicable since the Company has not so far entered into any amalgamation.
 - viii) **Retirement and other employee benefits:** AS 15 does not apply since the company does not have any employees as on the balance sheet date.

- ix) **Borrowing Costs:** AS 16 is not applicable since the Company has no fixed assets as at the balance sheet date.
- x) **Segment reporting:** The company operates only in one segment, namely, integrated real estate development and construction of residential and commercial tenements. Hence the requirements of Segment Reporting pursuant to AS 17 issued by the Institute of Chartered Accountants of India are not applicable.
- xi) **Leases:** AS 19 is not applicable since the Company has not entered into any leases.
- xii) **Consolidated Financial Statements:** AS 21 is not applicable since the Company has no subsidiaries. In accordance with AS 21 issued by the Institute of Chartered Accountants of India, separate consolidated financial statements of the Company and its Holding Company have been prepared by combining on a line-to-line basis by adding together the book values of like items of assets, liabilities, incomes and expenses after fully eliminating intra-group balances, intra-group transactions and unrealised profits and losses.
- xiii) **Accounting for Investments in Associates in Consolidated Financial statements:** AS 23 is not applicable since the Company is not required to consolidate its financial statements.
- xiv) **Discontinuing Operations:** AS 24 is not applicable since the Company has not so far discontinued operations.
- xv) **Interim Financial Reporting:** AS 25 is not applicable to the financial statements under review.
- xvi) **Intangible Assets:** AS 26 issued by the Institute of Chartered Accountants of India, the Company has expensed the preliminary expenses and those pre-operative expenses which did not result in the creation of a tangible asset.
- xvii) **Financial Reporting of Interests in Joint Ventures:** AS 27 is not applicable since the Company has no joint ventures.
- xviii) **Impairment of Assets:** AS 28 is not applicable since the Company has no fixed assets as at the balance sheet date.
- xix) **Financial Instruments - Recognition & Measurement, Presentation & Disclosures:** AS 30, 31 & 32 are applicable since the Company has not entered into any transaction to which the said standards apply.
